

HyNet North West Hydrogen Pipeline Public Consultation

Consultation: 14th October to 19th November 2024

HyNet North West
Hydrogen Pipeline

Delivering clean growth

Decarbonising industry in the North West

From 09:00 on 14th October to 23:59 on 19th November 2024, Cadent will be holding a consultation on plans for the HyNet North West Hydrogen Pipeline. Plans will be presented for further review, including:

- New options for the Higher Walton and Partington HAGIs
- Updated Block Valve Installation locations
- Alternative route options avoiding the former Fiddlers Ferry Power Station
- Changes, additions and reductions to the area we are proposing.

This is likely to be the final route-wide consultation on these plans, so please take part and have your say.

There are a variety of ways that you can take part in the consultation. Information about the consultation will be available from 14th October.

See the full events schedule and ways to take part below.

Share your feedback from 14th October
